Mail proxy and payment to:

Ironwood Homeowners Association

PO Box 656, Normal, IL 61761

COMMENTS: _____

NOTE: The proxy and dues notice may be mailed together.

JoEllen Bahnsen

My husband and I have been Ironwood residents for 31 years. We enjoy the neighborhood and daily walks with our recently rescued dog, Dino. In an effort to maintain the beauty of the neighborhood, my husband and I pick-up litter throughout the neighborhood and on Northtown Road from Pipeline to Linden (the HOA's adopted street). I retired from Illinois State University's Comptroller's Office and enjoy utilizing my accounting skills in my current position as Treasurer of the Homeowners Association. Thanks for your support.

Tyler Mortenson

Are you tired of Linda telling you fences aren't allowed when the covenants specifically say they are? Angry that Susan's hurt feelings caused you to remove your long existing outdoor shed? I have fought against these retirees lying to and telling people what to do at board meetings for two years. Vote for me, Tyler Mortensen, and bring the average age and concepts to the modern era. I will vote to enforce the covenants as written and not based on my personal feelings like the aforementioned.

Susan Parrent

Susan and her family have been residents of Ironwood over 20 years. When they were looking to relocate in Normal, they were drawn to the openness of the development, lot sizes, location, and an active homeowner's association. Over the years, the family has embraced the subdivision and appreciated the intent of the subdivision developer. It was satisfying to watch the Town transition into management of the golf course and now as they continue with the upkeep of the course, lakes, and community programs. She appreciates the calls from current homeowners, real estate agents, and potential homeowners with interest in Ironwood these past two years. She looks forward to serving the residents of Ironwood for another two years.

Jeff Woodall

I, along with my wife Jenny, have owned a home in Ironwood since 1998. I have 20+ years of leadership experience in vendor, people and project management. I always worked within the budget on projects to develop cost effective solutions. Away from work, I volunteered as a basketball coach, Boy Scout leader and at all the schools my children attended by serving on committees for fundraising and school/education enhancements. I believe my skill set can be used to help Ironwood continue to be a great community for all of us to live.
