Electric Scooters:

- There have been many E-scooters on the golf course paths, roads, and sidewalks. The Town of Normal does NOT allow any electric scooters of any kind on roads, sidewalks, or cart paths. Violators may be issued citations.

Noise from I55:

- With the increased traffic on I55, the noise in Ironwood has increased over the years. A noise study was done by IDOT in 2016. There are no further studies scheduled. Studies are scheduled and approved by IDOT.

Speed Limit / Motorcycles (on Northtown Road):

- Please call the police to report any concerns - (309) 888-5030. They are aware of the situation.

Golf Carts:

- Golf carts *cannot* be driven on public streets unless it is an LSV-certified cart. If driven on a street, carts can only be on a street that is marked 35 mph or lower, the cart must be insured, titled and registered by the state, have a plate displayed, and driven only by valid licensed drivers. They must be used and operated like any automobile. Contact the Normal police with additional questions.

Parking Enforcement:

- Please call the police to report any concerns - (309) 888-5030.
